

REMARKS

Claims 3, 11, and 14-27 are pending in this application. Claims 14-27 are newly added. Claims 1-2, 4-10, and 12-13 are canceled.

Applicants submit a substantially new set of claims herewith. These claims are all distinct from the portions of Subrahmanyam relied upon by the Examiner because the archive storage provided by Subrahmanyam is one which is manipulated and accessed as necessary by a user subscriber. The present invention is a programmed use of memory in a server or servers that is automatic based on a user's subscription status.

Hence, Applicants believe that all the presently pending claims are in condition for allowance.

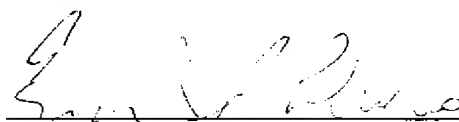

CONCLUSION

It is respectfully submitted that, in view of the above amendments and remarks, this application is now in condition for allowance, prompt notice of which is earnestly solicited.

The Examiner is invited to call the undersigned in the event that a phone interview will expedite prosecution of this application towards allowance.

The Commissioner is hereby authorized to charge any fees in connection with this communication to Eastman Kodak Company, Deposit Account No. 05-0225.

Respectfully submitted,
